

Bone + Bark Inn

Cancellation Policy

In the past Bone + Bark Inn has operated on the honor system and has not imposed a cancellation penalty on our clients. As a result, we have turned families away because of lack of available space, and then come to find that we could have accommodated them all along, because of last minute cancellations.

Now that we have a state mandated uniform calendar and are no longer staggered, our busy times are even busier. Now more than ever, we absolutely need to know if reservations are valid. We feel that our policy is a fair one and we know that clients depend on us to provide advanced, guaranteed reservations before they can finalize their family vacation or business travel plans.

Bone + Bark Inn requires a 50% deposit for all peak boarding reservations, by credit card, cash, check or Venmo at the time of the reservation. A 2-night minimum stay is required during peak periods. A peak reservation is considered to be ALL SCHOOL holidays/breaks as well as summer vacation, and federal holidays. Non-Peak reservations lasting 5 nights or more will require a \$100 deposit at the time of the reservation.

We realize that plans do change, and wish to accommodate all our client's needs. While the deposits are non-refundable, they can be credited towards the next stay with us, if they are used within one year of the cancellation.

All policies and pricing are subject to change without notice.

I understand and agree to the cancellation policy above.
